## **Setup of New Company in Korea, ACCRETECH KOREA**

Tokyo Seimitsu Co., Ltd. (President, C.E.O. & C.O.O.: Sadakatsu Suzuki) has set up a local company called "ACCRETECH KOREA CO., LTD." by integrating the sales, service and support businesses in Korea, in order to enhance the ACCRETEC group approach to the Korea market. The new company has started the operation in January.

### **Information**

#### **1. Company profile**

- (1) Name: ACCRETECH KOREA CO., LTD.
- (2) Address: 3rd Floor Fine Venture Bldg. 345-1 Yatap-dong, Bundang-gu, Seongnam-si, Gyeonggi-do, 463-828, Korea
- (3) Establishment date: January 2007
- (4) Capital: 1 billion won
- (5) Representative: Masayoshi Ohnishi, President
- (6) Number of employees: 52

#### **2. Purpose of establishment**

In order to enhance the ACCRETEC group approach to the Korea market, the sales, service and support businesses there for the Semiconductor Company products have been incorporated, which were conducted by our agencies and partner companies before. From now on, the new local subsidiary will deploy the business activities in a more efficient manner. Following the new company setup, Accretech Micro Technologies Korea Co., Ltd, an existing partner company, will be reorganized and its businesses will be taken over to the new company.
